Total hours	682	1,275

¹ Courses in the Army School of Nursing, Walter Reed General Hospital, Washington, D.C.

Note.—This course was supplemented by periods of observation at the Children's Hospital and the Crippled Children's School, both in Washington, D.C.

Source: Vogel, Emma E.: Physical Therapists of the Medical Department, United States Army.

The graduation address for the first course was given by Colonel Granger.²⁶ In this talk, he paid high tribute to the World War I physical therapists:
